ORDER

08 Civ. 9100 (DC)

CHIN, District Judge

This case, which sought the provisional remedy of a maritime attachment, was filed on October 23, 2008. The Court issued an order of attachment on October 24, 2008. An amended complaint was filed November 12, 2008, and an amended order of attachment was issued November 13, 2008. On December 11, 2008, a stipulation and order directing the release of certain attached funds was entered, and defendant Korea Line Corporation was terminated. It does not appear that there have been any further proceedings in the case since then.

Accordingly, it is hereby ORDERED that plaintiff's counsel advise the Court in writing, within ten business days hereof, (1) whether any assets have been attached, and (2) whether suit or arbitration with respect to the claims at issue has been commenced.

If no assets have been attached, or no suit or arbitration has been commenced, plaintiff's counsel shall, at the same time, show cause why this action should not be dismissed and

the order of attachment vacated. If plaintiff's counsel does not respond to this order in a timely manner, or if plaintiff does not show cause why the action should not be dismissed, the complaint will be dismissed, without prejudice and without fees or costs, and the order of attachment will be vacated.

SO ORDERED.
